Subject: Microsoft Settlement - Please Do Not Delay Settlement

Hello:

I would like to voice my opinion of the Microsoft Settlement. I feel that this settlement is just and very fair for all parties in this matter. You have more important matters to take care of rather than to delay this settlement. Let Microsoft complete this settlement as stated so that they can get on with business. I bet if this settlement is granted the economy will begin to pick up pace shortly thereafter.

So, please grant the settlement because it is fair for all concerned.

Sincerely,
Russell Spruill and Family
